

Dear Parents and Caregivers

For us to continue our regular outings into the local area, we must have your informed consent. Please note that students will always be in groups and supervised by an adult.

Assessed risks: Traffic and other people using the area; natural hazards e.g. weather, trees, plants and animals (including snakes), creek water, submerged objects (logs, rocks), flooding (we will not utilise the creek immediately after heavy rain due to waste and rural run-off that ends up in the river); hazardous debris e.g. broken glass, syringes, rusted metal fragments (hence protective shoes).

When: Ongoing throughout all 2021 school terms.

Where: Maleny town including (but not limited to) the library, showgrounds, creek and board walk and CO-OP garden, sites of cultural significance.

Transport: Walking, chartered bus.

Due to risk assessment aspects, we require the students to have shoes, sun smart/neat clothes and a hat at school.

Kind regards

Angie Kelly

Principal

Permission Slip: All Local Outings – 2021

☐ I give permission for my child to participate in all local outings during 2021.

Parent/Guardian Name:
