School Fees for 2022

Enrolment Fees

Payable on lodging an initial enrolment application	
Enrolment application fee (per learner)	\$50
Enrolment bond (per family) – refundable	\$250

Enrolment application fee: This cost is non-refundable and covers the administrative cost of processing each application. Applications cannot be processed until this fee is received.

Enrolment bond: The bond is refundable in full when the last learner in the family leaves the school, provided all outstanding financial obligations have been met. Payment of this bond is taken to be acceptance of an offer of enrolment at the school. It is a condition of any enrolment offer that this bond be paid prior to your young person commencing their first day at My Independent School. Non-payment may result in an offer of enrolment being withdrawn.

Annual Fees and Charges

Annual cost per learner	
Tuition fee	\$3,170
Resource levy	\$1,250
Building levy	\$55
Total	\$4,475

Tuition fees including our yearly camp cost are invoiced in advance of the term to which they apply. Fees must be paid in full by the last day of the term and no later than fourteen (14) days after the date of invoice for the fees. i.e. Term 2 fees will be invoiced 14 days prior to the end of Term 1 and must be paid by the last day of Term 1 except for Term 4 fees which are due by 28 October.

Resource levy: This levy is charged to cover all compulsory workbook items, the school's IT program, subject costs, photocopying, non-subject specific classroom consumables, learner accident and insurance premiums. It excludes some costs that are charged on a user-pay basis e.g. some excursions, individual and group creative arts tuition costs and bus fares. In addition, this levy does not include the basic stationery contained in the Stationery List that is provided in the Enrolment Package.

Building levy: This levy is a compulsory contribution that is non-tax deductible. This contribution is to provide for the maintenance of the school's buildings.

Sibling Discount

Families with more than one person enrolled are eligible for a discount of the tuition Fee only of 15%, 25% and 50% respectively for the 2nd, 3rd and 4th child. Families in receipt of a bursary are not eligible for the sibling discount.

Personalised Learning Costs

Annual tuition fees and levies cover our core and essential learning programs, which includes all learning areas required to deliver the Australian Curriculum. Costs that arise in the development of a learner's personal project or personalised learning pathway that sit outside these areas are a family's responsibility. These costs may include:

- a course or other activity provided by an external supplier
- an external exam or assessment that incurs additional costs
- specialised materials or resources
- transport to and from a mentor, training or learning opportunity.

We do not make financial decisions arising from personal projects on behalf of families. The decisions and payment arrangements for these costs are left with the family; however, we are happy to discuss.
